

Burton Agnes Parish Council

Dear Mr Sunman

APPLICATION 15/01648/STPLF

1. Following an Extraordinary Meeting of Burton Agnes Parish Council on 21 September 2015 at which the Applicant presented his Odour Management Plan and outlined his proposals for future community and regulatory involvement in this project, I am able to report that in the view of the Parish Council and those members of the public present, the Applicant has fully met, and in some areas exceeded, the conditions requested by the Parish Council in our response to you dated 23 July 2015.
2. To some extent, we are all in unknown territory with respect to the impact of this project moving forward, but believe that we can be confident that the proactive and dynamic arrangements being proposed can give the community confidence that there is a robust system in place to address any issues arising and that any compromise to residential amenity will be avoided.
3. The Parish Council supports this project.

Yours sincerely

Sue Burt
Chair
